

FSS PROGRAM INTEREST FORM

Westbrook Housing is currently recruiting Housing Choice Voucher (HCV) participants who are interested in developing a personal plan for increasing their household income through a program of supportive services, education, and employment assistance. You must be leased in the HCV Program to actually enroll.

If you are interested in the FSS Program, please complete and return this portion to

I have read the FSS brochure and am interested in learning more about the FSS Program. I understand that this does not obligate me to nor enroll me in the program, but I will receive a phone call and/or email from the FSS coordinator to further discuss this program and determine the potential benefits to my household. This is a voluntary program that does not affect my eligibility for the HCV Program.
