- 3.3 **Quantities:** As may be further detailed herein, the HA does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFQ, as the ensuing contract will be a Requirements Contract, in that the HA shall retain one contractor only and shall retain the right to order from that contractor (successful proposer), on a task order basis, any amount of services or items that the HA requires during the ensuing contract period(s).

- 3.4 **Escalation:** Pertaining to the ensuing contract, there shall be no escalation of the proposed unit costs allowed at any time during the awarded contract periods except of the Unilateral decision of the HA. The successful proposer guarantees, by submitting a proposal, that he/she will hold all proposed costs for a period of 2 years. For the 3rd-year and subsequent years of the contract period, if the successful proposer chooses to not hold or guarantee the originally proposed costs, the HA will not force the successful proposer to renew the contract at the original pricing but will conduct independent cost evaluation and make a unilateral decision to renew the contract. If in years 3, 4, or 5 the Housing Authority determines the proposed fees are not acceptable, a new competitive solicitation process, which the successful proposer may respond to (unless otherwise barred by the HA for default or poor performance or other similar cause); and the successful proposer may only do so by delivery to the HA of a written notice delivered to the CO at least 120 days prior to the end of the contract period.

- 3.5 **Proposal Submission:** All proposals must be submitted and time-stamped received in the designated HA office by no later than the submittal deadline stated herein (or within any ensuing addendum).  Operations Director
 30 Liza Harmon Drive
 Westbrook, ME 04092

The package exterior must clearly denote the above noted RFQ number and must have the proposer’s name and return address. Proposals received after the published deadline will not be accepted.

3.5.1 Submission Conditions: DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the HA decides that any such entry has not changed the intent of the proposal that the HA intended to receive, the HA may accept the proposal and the proposal shall be considered by the HA as if those additional marks, notations or requirements were not entered on such. Each prospective proposer that downloads the RFQ package from the Housing Authority website is thereby agreeing to confirm all notices that the HA delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFQ.

3.5.2 Submission Responsibilities: It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFQ document, the documents listed within the following Section 3.8, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that proposer to not be considered for award.

3.6 Proposer's Responsibilities--Contact with the HA: It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFQ process to the CO only. Proposers must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this RFQ. Failure to abide by this requirement may be cause for the HA to not consider a proposal submittal received from any proposer who may has not abided by this directive.

3.6.1 Addendums: All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFQ Documents). During the RFQ solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFQ are made—between the HA and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective

REQUEST FOR PROPOSALS (RFQ) NO. RFQ-001-A2024, Information Technology Services

proposer’s inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

3.7 Pre-proposal Conference: The scheduled pre-proposal conference identified on Page 2 of this document is, pursuant to HUD regulation, not mandatory. Many prospective proposers have previously responded to an RFQ with a multi-tabbed submittal and feel comfortable in doing so without attending the pre-conference. Typically, such conferences last 1 hour or less, though such is not guaranteed. The purpose of this conference is to assist prospective proposers in having a full understanding of the RFQ documents so that he/she feels confident in submitting an appropriate proposal; therefore, at this conference the HA will conduct an overview of the RFQ documents, including the attachments. Prospective proposers may also ask questions, though the CO may require that some such questions are delivered in writing prior to a response. Whereas the purpose of this conference is to review the RFQ documents, attendees should have a copy of the RFQ documents at hand.

The appointed evaluation committee, independent of the CO or any other person at the HA, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2, 3, 4, 5 and 6 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.
- 4.2.5 Potential "Competitive Range" or “Best and Finals” Negotiations:** The HA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a “Best and Finals” Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the HA in a timely manner as possible, but in any case within no longer than 5 days after the

beginning of such negotiations with the firms deemed to be in the competitive range.

4.2.6 Determination of Top-ranked Proposer: Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded the ED for approval. Contract negotiations may, at the HA's option, be conducted prior to or after the ED approval. The HA reserves the right to refer to the Board of Commissioners for approval.

4.2.6.1 Minimum Evaluation Results: To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 115 total possible points detailed within Section 4.1 herein).

4.2.6.2 Ties: In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”

4.2.7 Notice of Results of Evaluation: If an award is completed, all proposers will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:

4.2.7.1 Which proposer received the award;

4.2.7.2 Where each proposer placed in the process as a result of the evaluation of the proposals received;

4.2.7.3 The cost or financial offers received from each proposer;

4.2.7.4 Each proposer’s right to a debriefing and to protest.

4.2.8 Restrictions: All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the HA evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the HA evaluation committee.

5.1 CONTRACT AWARD:

5.2 **Contract Award Procedure:** If a contract is awarded pursuant to this RFQ, the following detailed procedures will be followed:

5.2.1 By completing, executing and submitting the Form of Proposal, Attachment A, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFQ as issued by the HA, including the contract clauses already attached as Attachments G and G-1. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.3 **Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFQ:

5.3.1 **Contract Form:** The HA will not execute a contract on the successful proposer's form--contracts will only be executed on the HA form (please see Sample Contract, Attachments G and G-1), and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFQ process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

5.2.1.1 Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFQ.

5.3.2 **Assignment of Personnel:** The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.

5.3.3 **Unauthorized Sub-Contracting Prohibited:** The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFQ (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the HA, or may result in the full or partial forfeiture of

funds paid to the successful proposer as a result of the proposed contract; either as determined by the CO.

- 5.4 Contract Period:** The HA anticipates that it will initially award a contract for the period of 1 year with the option, at the HA's discretion, of 4 additional one-year option periods, not to exceed 5 years total.
- 5.5 Licensing and Insurance Requirements:** Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:
- 5.5.1** An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;
 - 5.5.2** An original certificate evidencing General Liability coverage, naming the HA as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the HA as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a deductible of not greater than \$1,000;
 - 5.5.3** An original certificate showing the proposer's professional liability and/or "errors and omissions" coverage (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000), with a deductible of not greater than \$1,000;
 - 5.5.4** An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.
 - 5.5.5** A copy of the proposer's business license allowing that entity to provide such services within the State of Maine;
 - 5.5.6** If applicable, a copy of the proposer's license issued by the State of Maine licensing authority allowing the proposer to provide the services detailed herein.
 - 5.5.7** The requested related information shall also be entered where provided for on the Profile of Firm Form (DO NOT ATTACH SUBMIT COPIES WITHIN THE PROPOSAL SUBMITTAL--we will garner the necessary certificates from the successful proposer prior to contract execution).
- 5.6 Right To Negotiate Final Fees:** The HA shall retain the right to negotiate the amount of fees that are paid to the successful proposer, meaning the fees proposed by the top-rated proposer may, at the HA's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the HA has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO successfully concluded within 5 business days, the HA shall retain the right to end such negotiations and begin negotiations with the next-rated proposer. The HA shall also

retain the right to negotiate with and make an award to more than one proposer, as long as such negotiation(s) and/or award(s) are addressed in the above manner (i.e. top-rated first, then next-rated following until a successful negotiation is reached).

- 5.7 **Contract Service Standards:** All work performed pursuant to this RFQ must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

1.0 GENERAL CONDITIONS:

1.1 **Applicability:** If referred to within the text of such, these Instructions To Proposers ITPC shall be applicable to all Requests For Proposals (RFQ) solicitations that the Housing Authority of the City of Westbrook (HA) conducts and shall be applicable to any contract that the HA awards to or signs with any firm, agency or individual pursuant to that RFQ. A copy of these ITPC shall be made available to any actual or prospective proposer, or contractor who does business with or intends to do business with the HA.

1.1.1 Unless otherwise specified within the RFQ or contract documents, in the event that any provision in any document listed herein conflicts with any provision within these ITPC, the provision in the RFQ or contract document shall govern. Further, in the case of any attached HUD forms (more specifically: HUD-5369-C (8/93); HUD-5369-B (8/93); and HUD-5370-C (10/2006), Section I and/or Section II), the information within such HUD form(s) shall govern any other information issued, especially that issued within any HA-created forms that are issued as a part of this solicitation.

1.2 **Definitions** (pertaining to all RFQ documents issued by the HA pertaining to this RFQ, including the attachments and the ensuing contract):

1.2.1 "Contracting Officer" when named within an RFQ document shall refer to either the ED or the person he/she has delegated such responsibilities to.

1.2.2 "Contract" refers to the fully executed written agreement that ensues from the RFQ. Whereas all RFQ documents are included, by reference, as a part of the ensuing contract, when "contract" is referred to within the RFQ document, such is referring to both the RFQ documents and the ensuing contract document.

1.2.3 "Contractor" and the term "successful proposer" may be used interchangeably.

1.2.4 "Days" unless otherwise directed, shall refer to calendar days.

1.2.6 "ED" is the HA Executive Director.

1.2.8 "HA" is the Housing Authority of the City of Westbrook. Unless otherwise defined herein or within the ensuing contract, whenever the term "the HA" is used without clearly designating a responsible HA staff person, the proposer(s) shall assume that responsibility for that item rests with the CO.

1.2.9 "HUD" is the United States Department of Housing and Urban Development. HUD is the Federal agency that the HA receives some funding from; however, pertaining to this RFQ, correspondences, including proposal submittals, received from each proposer must

- provisions contained herein prior to contacting HUD (i.e. in the case of a protest).
- 1.2.10 "Herein" shall refer to all documents issued pursuant to the noted RFQ, including the RFQ documents and the attachments.
- 1.2.11 "Offer" is the proposal submittal referred to within the following Section 1.2.14 that the proposer delivers to the HA in response to the RFQ.
- 1.2.12 "Offeror" or "Offerors" are the proposer or proposers.
- 1.2.13 "Parties" - When "the parties," "both parties" or "either party" is stated within the RFQ documents or the contract, such refers to the HA and the successful proposer(s).
- 1.2.14 "Proposal" and/or "Proposal Submittal" is the "hard copy" document that the proposer is required to, as detailed within the RFQ document, deliver to the HA.
- 1.2.15 "Protestant" is a prospective proposer or proposer who feels that he/she has been treated inequitably by the HA and wishes the HA to correct the inequitable condition or situation. To be eligible to file a protest with the HA pertaining to an RFQ or contract, the protestant must have been involved in the RFQ process in some manner as a prospective proposer (i.e. registered and received the RFQ documents).
- 1.2.16 "Prospective Proposer" or "Proposer" - A prospective proposer is a firm or individual who has been notified of the RFQ solicitation and/or who has requested and/or received the RFQ documents and is considering responding with a proposal; a proposer is a firm or individual who has submitted a proposal in response to the RFQ. All terms and conditions shall apply equally to all prospective proposers as well as proposers, though prospective proposers may not, after the deadline set for receiving proposals, receive further notices pertaining to that RFQ--meaning, certain notices (such as the Notice of Results of Evaluation) are typically only delivered to proposers and not to all prospective proposers.
- 1.2.17 "Request for Proposals" (RFQ) is the competitive proposal process allowed by HUD, especially as defined within Chapter 7 of HUD Procurement Handbook 7460.8 REV 2.
- 1.2.18 "RFQ Document(s)" - Whether stated in the singular or the plural, such refers to the body of documents, including attachments, that the HA makes available to all prospective proposers wherein is detailed the HA's requirements.
- 1.2.19 "Solicitation" or "Competitive Solicitation" is the RFQ process detailed herein.

2.0 CONDITIONS TO PROPOSE:

2.1 Pre-Qualification of Proposers: Prospective proposers will not be required to pre-qualify in order to submit a proposal. However, all proposers will be required to submit adequate information showing that the proposer is qualified to perform the required work (i.e. Profile of Firm Form and required resumes). Failure by the prospective proposer to provide the requested information may, at the HA's discretion, eliminate that proposer from consideration, provided that all proposers were required to submit the same information (in the case of a successful proposer(s), these requirements shall also apply in the context of the successful proposer or proposers).

2.2 RFQ Forms, Documents, Specifications and Drawings:

2.2.1 It shall be each prospective proposer's responsibility to, prior to submitting a proposal in response to the RFQ, examine carefully and, as may be required, properly complete and submit all documents issued pursuant to this RFQ.

2.2.2 Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all of the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.

2.2.3 The HA shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the RFQ documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual proposer. Such changes that are issued before the deadline for receipt of **QUALIFICATIONS** shall be binding upon all prospective proposers. Such changes that are issued after the receipt of **QUALIFICATIONS**, but prior to award shall be binding upon all parties that have submitted **QUALIFICATIONS**; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her proposal. Such withdrawal must be delivered, in writing, to the CO within the 5-day deadline period.

2.3 Proposal Preparation, Submission and Receipt by the HA:

2.3.1 Required Forms: All required forms furnished by the HA as a part of the RFQ document issued shall, as instructed, be fully completed and submitted by the proposer. Such forms may be completed in a legible hand-written fashion, by use of a typewriter, or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any fashion, the proposer must "edit" the form back to its originally form (for example, signature lines must appear on the page the line was originally intended to be on).

REQUEST FOR QUALIFICATIONS (RFQ) NO. RFQ-001-A2024, Information Technology Services

- 2.3.2 Manner of Submission:** The proposal submittal shall be submitted in the manner detailed within the RFQ document. Failure to submit the proposal in the manner specified may result in a premature opening of, post-opening of, or failure to open and consider that proposal, and may, at the discretion of the CO, eliminate that proposer from consideration for award.
- 2.3.3 Time for Receiving QUALIFICATIONS** received prior to the time set as the deadline for the receipt by the HA of the proposal submittal shall be securely kept, unopened, by the HA. The CO, whose duty it is to open such QUALIFICATIONS, will decide when the specified time has arrived. No proposal received after the designated deadline shall be considered, except as detailed within Section 6 of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*.
- 2.3.3.1** Proposers are cautioned that any proposal submittal that may be time-stamped as being received by the HA after the exact time set as the deadline for the receiving of QUALIFICATIONS shall be returned unopened to the proposer. Any such QUALIFICATIONS inadvertently opened shall not be considered, but shall be ruled to be invalid. No responsibility will attach to the HA or any official or employee thereof, for the pre-opening of, or the failure to open a proposal not properly addressed and identified.
- 2.3.4 No Public Opening of QUALIFICATIONS:** Pursuant to the competitive QUALIFICATIONS or RFQ process, QUALIFICATIONS are not publicly opened, but are held secure until the submittal deadline has passed. The QUALIFICATIONS are then opened in private by the CO (or his/her designee) and are, pursuant to the evaluation plan, examined for minimal responsiveness (i.e. minimum compliance with the requirements of the RFQ). Persons other than HA staff involved in this process are not allowed to be present during the opening, nor may they inspect the QUALIFICATIONS until after award has been completed.
- 2.3.5** **Withdrawal of QUALIFICATIONS** may be withdrawn as detailed within Section 6(h) of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*. Negligence on the part of the proposer in preparing his/her proposal confers no right of withdrawal or modification of his/her proposal after such proposal has been received and opened.
- 2.3.6** **Conflicting Conditions:** Any provisions detailed within any of the RFQ documents which may be in conflict or inconsistent with any of the paragraphs in any of the other RFQ documents, including attachments, shall be void to the extent of any such conflict or inconsistency. Further, as stated within Section 1.1.1 of this ITP, unless otherwise specified within the RFQ or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this ITP, the provision in the RFQ or contract documents shall prevail.
-

2.3.7 Interpretations: No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this RFQ. Every request for an official interpretation shall be made by the prospective proposer, in writing, pursuant to the schedule set within the RFQ document issued and as directed by the HA. Official interpretations will be issued in the form of addenda, which will be delivered to each proposer; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFQ documents and the proposed contract with the successful proposer, and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).

2.4 Exceptions to Specifications:

2.4.1 A proposer may take exception to any of the proposal documents or any part of the information contained therein, by submitting, in writing to the CO, at least 10 days prior to the proposal deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by the HA will be issued in writing within 5 days of receipt of such exception request. The HA reserves the right to agree with the prospective proposer and issue a revision to the applicable RFQ requirements, or may reject the prospective proposer's request.

2.4.2 When taking exception, prospective proposers must propose services that meet the requirements of the RFQ documents. Exceptions to the specification and/or approved "equal" requests may be discussed at the scheduled pre-proposal conference (if scheduled). All verbal instructions issued by the HA officers not already listed within the RFQ documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB):

2.5.1 The HA reserves the right to, at any time, request and receive from any or all proposers a LSCB of any or all of the costs proposed. The proposal documents constitute an outline of the work to be completed by the proposer. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the proposer in order to comply with the proposal documents in their present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

2.5.1.1 The purpose of this LSCB will serve the HA in two distinct areas:

2.5.1.1.1 **Prior to award of QUALIFICATIONS:** The HA may request a LSCB for any or all items reflected within the RFQ document as “lump sum” for the purpose of determining an unbalanced cost proposal. The CO, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 **After award:** The HA may request a LSCB for any or all items reflected within the RFQ document as “lump sum” for the purpose of making partial payments to the successful proposer.

2.5.1.1.3 Under no circumstances, may any cost item reflected as “lump sum” be increased/decreased as a result of the LSCB analysis.

3.0 PROPOSAL EVALUATION:

3.1 **Proposal Opening Results:** It is understood by all proposers/prospective proposers that the QUALIFICATIONS received are not publicly opened and the results will typically not be a matter of public record until the HA has concluded all evaluations, has chosen a final top-rated proposer, has completed the award and is ready to issue such results. When the HA issues such notice, the HA will inform all proposers as to each proposers placement as a result of the evaluation (i.e. 1st, 2nd, 3rd, etc.), the total points each proposer was awarded as a result of the evaluation and the proposed costs submitted by each proposer.

3.1.1 All proposal documents submitted by the proposers are not necessarily a matter of public record and as a matter of normal course, the QUALIFICATIONS submitted by each proposer will not, until after award has been completed, be available to be viewed by any interested parties except as approved by the HA Legal Counsel (i.e. a proposer will not, prior to completion of award, be allowed to challenge an apparent top-rated proposer by inspecting the proposal that the apparent top-rated proposer submitted). The HA shall, however, upon request, verify that the proposal documents submitted are/were acceptable.

3.2 **Award of Proposal(s):** The successful proposer shall be determined by the top-rated responsive and responsible proposer as determined by the evaluation process detailed within the RFQ document issued, provided his/her proposal is reasonable, he/she is able to deliver the specified items in a timely manner and it is, in the opinion of the HA, to the bests interests of the HA to accept the proposal. All proposers will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of QUALIFICATIONS:

3.3.1 The HA reserves the right to, at any time during the proposal process, reject any or all QUALIFICATIONS received. In the case of rejection of all QUALIFICATIONS, the HA reserves the right to advertise for new QUALIFICATIONS or to proceed to do the work otherwise, if in the judgment of the HA, the best interest of the HA will be promoted.

3.3.2 Prospective proposers acknowledge by downloading and receiving the RFQ documents and/or by submitting a proposal that the submission of a proposal to the HA is not a right by which to be awarded that proposal, but merely an offer by the prospective proposer to perform the requirements of the RFQ documents in the event the HA decides to consider an award to that proposer.

3.4 **Cancellation of Award:** The HA reserves the right to, without any liability, cancel the award of any proposal(s) at any time before the execution of the contract documents by all parties.

3.5 Mistake in Proposal Submitted:

3.5.1 A request for withdrawal of a proposal due to a purported error need not be considered by the HA unless the same is filed in writing by the proposer within 48 hours after the proposal deadline (proposers may of their own volition withdraw a proposal prior to the submittal deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by the HA, be supported by the original calculations on which the proposal was computed, together with a certification and notarization thereon that such computation is the original and prepared by the proposer or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as the HA retains the right to accept or reject any proposal withdrawal for a mistake.

3.5.2 Unless otherwise prohibited within the RFQ documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at the HA's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the CO, for his/her review. This mistake must be corrected before the issuance of contract documents.

3.6 **Irregular Proposal Submittal:** A proposal shall be considered irregular for any one of the following reasons, any one or more of which may, at the HA's discretion, be cause for rejection:

3.6.1 If the forms furnished by the HA are not used or are altered or if the proposed costs are not submitted as required and where provided.

REQUEST FOR QUALIFICATIONS (RFQ) NO. RFQ-001-A2024, Information Technology Services

-
- 3.6.2 If all requested completed attachments do not accompany the proposal submitted.
- 3.6.3 If there are unauthorized additions, conditional or alternate QUALIFICATIONS, or irregularities of any kind which may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning or give the proposer submitting the same a competitive advantage over other proposers.
- 3.6.4 If the proposer adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.
- 3.6.5 If the individual Pricing Items submitted by a specific proposer are unbalanced in the sense that the listed price of any cost item departs by more than 25% from the HA's cost estimate for that item.
- 3.7 **Disqualification of Proposers:** Any one or more of the following shall be considered as sufficient for the disqualification of a proposer and the rejection of his/her proposal:
- 3.7.1 Evidence of collusion among prospective proposers. Participants in such collusion will receive no recognition as bidders or proposers for any future work of the HA until such participant shall have been reinstated as a qualified proposer or proposer. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
- 3.7.2 More than one proposal for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by the HA within the proposal documents issued, including by addendum.
- 3.7.3 Lack of competency, lack of experience and/or lack of adequate machinery, plant and/or other resources.
- 3.7.4 Documented unsatisfactory performance record as shown by past work for the HA or with any other local, State or Federal agency, judged from the standpoint of workmanship and progress.
- 3.7.5 Incomplete work, which in the judgment of the HA, might hinder or prevent prompt completion of additional work, if awarded.
- 3.7.6 Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
- 3.7.7 Failure to comply with any qualification requirement of the HA.
- 3.7.8 Failure to list, if required, all subcontractors (if subcontractors are allowed by the HA) who will be employed by the successful proposer(s) to complete the work of the proposed contract.

REQUEST FOR QUALIFICATIONS (RFQ) NO. RFQ-001-A2024, Information Technology Services

3.7.9 As required by the RFQ documents, failure of the successful proposer to be properly licensed and/or the State of MAINE and/or to be insured by a general liability and/or worker's compensation policy.

3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of the HA.

3.8 **Burden of Proof:** If requested by the HA, it shall be the responsibility of the proposer(s) to furnish the HA with sufficient data or physical samples, within a specified time, so that the HA may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest:

4.1 **Rights:** Any prospective or actual proposer, offeror, or contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved "protestant" is a prospective or actual proposer who feels that he/she has been treated inequitably by the HA and wishes the HA to correct the alleged inequitable condition or situation. To be eligible to file a protest with the HA pertaining to an RFQ or contract, the alleged aggrieved protestant must have been involved in the RFQ process in some manner as a prospective proposer (i.e. registered and received the RFQ documents) when the alleged situation occurred. The HA has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 **Administrative Powers:** It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 **Procedure to Protest:** An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve the HA from accepting or considering that protest:

4.3.1 The alleged aggrieved protestant must file, in writing, to the CO the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by the HA or condition is being protested as inequitable, making, where appropriate specific reference to the RFQ documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve the HA from any responsibility to consider the protest and take any corrective action.

REQUEST FOR QUALIFICATIONS (RFQ) NO. RFQ-001-A2024, Information Technology Services

-
- 4.3.2 The written instrument containing the reason for the protest must be received by the CO within 10 days after the occurrence of any of the following:
- 4.3.2.1 the deadline for receiving QUALIFICATIONS;
 - 4.3.2.2 receipt of notification of the results of the evaluation or the award; or
 - 4.3.2.3 the alleged aggrieved protestant knows or should have known the facts.
- 4.3.3 In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the proposal deadline). Protests received after these dates shall not be considered.
- 4.3.4 The CO shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.
- 4.3.5 **Administrative Appeal:** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the CO, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the CO request an administrative appeal hearing be granted (such request must be delivered in writing to the CO within 5 days of receipt of the written opinion and decision; failure to do so within such 5 days shall relieve the HA of any responsibility to consider such request). The following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve the HA from accepting or acting on that request for administrative hearing:
- 4.3.5.1 The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED, within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relieve the HA of any responsibility to consider such request.
 - 4.3.5.2 The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.
 - 4.3.5.3 It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.

4.3.5.4 If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.

4.3.5.5 If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all QUALIFICATIONS submitted and a copy of the original written protest, to the HA Legal Counsel for consideration. The HA Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.

4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust the HA internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges):

5.1 Procedures: In addition to the procedures detailed within Clause No. 7 of Attachment G-1, Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that the HA disputes any portion of its billing(s), the HA shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

5.1.1 The HA's representative shall, within 10 days after the HA's receipt of such billing, formally notify the contractor's representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

5.1.2 If such dispute cannot be resolved by the contractor's response, within 10 days after such notification is given, the CO and the contractor's representative shall meet to discuss the matter and attempt to arrive at a resolution.

- 6.8 **Communication:** If during the period of the contract, it is necessary that the HA place toll or long distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful proposer will bear the charge or expense for all such calls and/or telegrams.

- 6.11 Warranty:**
- 6.11.1** The services provided under the contract shall conform to all information contained within the RFQ documents as well as applicable Industry Published Technical Specifications, and if one of the above mentioned Specifications contains more stringent requirements than the other, the more stringent requirements shall apply.

The HA shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the HA's position on the issue. If at any time during the term of this contract the HA or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the HA has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within 10 days, respond in writing to the other party (however, the HA shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the HA shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The HA shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the HA's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the HA's alleged incorrect action(s).
- 10.1.3 After termination, if the contractor does not agree with the HA's justification for the termination, the contractor shall have 10 days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the HA's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the HA's alleged incorrect action(s).

- 11.10 **Official, Agent and Employees of the HA Not Personally Liable:** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of the HA in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.

this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.

11.16 Waiver of Breach: A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.

11.17 Time of the Essence: Time is of the essence under this agreement as to each provision in which time of performance is a factor.

11.19.2 In this connection, it is expressly agreed that the Contractor shall, at its own expense, defend the HA, its officers, employees, and agents, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the Contractor has indemnified the HA. If the Contractor shall fail to do so, the HA shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the Contractor including attorney's fees and court costs.

11.19.3 Any money due to the Contractor under and by virtue of this contract, which the HA believes must be withheld from the Contractor to protect the HA, may be retained by the HA so long as it is reasonably necessary to ensure the HA's protection; or in case no money is due, its surety may be held until all applicable claims have been settled and suitable evidence to that effect furnished to the HA provided, however, neither the Corporation's payments shall not be withheld, and its surety shall be

released, if the Contractor is able to demonstrate that it has adequate liability and property damage insurance to protect the HA from any potential claims.

11.19.4 The Contractor shall provide that any contractual arrangement with a subcontractor shall be in conformance with the terms of this Contract including the terms of this indemnity provision. The Contractor guarantees that it will promptly handle and rectify any and all claims for materials, supplies and labor, or any other claims that may be made against it or any of its subcontractors in connection with the contract.

- 13.3 The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- 13.4 The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- 13.5 The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- 13.6 Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- 13.7 With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. (a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

(c) The [contractor/seller] will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor/seller]'s legal duty to furnish information.

(d) The [contractor/seller] will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the [contractor/seller]'s commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(h) The [contractor/seller] will include the provisions of paragraphs (a) through (h) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub[contractor/seller] or vendor. The [contractor/seller] will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the [contractor/seller] becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the [contractor/seller] may request the United States to enter into such litigation to protect the interests of the United States.

17. Equal Opportunity for Workers with Disabilities

1. The [contractor/seller] will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The [contractor/seller] agrees to take affirmative action to employ and advance in employment individuals with disabilities, and to treat qualified individuals without discrimination on the basis of their physical or mental disability in all employment practices, including the following:

- i. Recruitment, advertising, and job application procedures;
